

Client Success Story

Generated additional revenue and grew market share over their competition.

About TalentZök

TalentZök is the nation's premier specialized staffing firm named by San Diego Business Journal as one of the Fastest Growing Companies for six consecutive years. As one of the most innovative staffing firms, the leadership at TalentZök recognizes the need and value for staying current on what's happening in the staffing industry along with what's taking place in their clients' industries. The ability to pivot and change direction quickly makes TalentZök the perfect client for SmartSearch.

Client Challenge

Working closely with the SmartSearch technical innovation staff allows TalentZök to take an active role in determining what enhancements and advancements are placed in the production queue. In one such instance, TalentZök requested a change to the configurability of the system to meet their unique business needs. This enhancement aligned with their business processes by providing them with greater efficiency and an easier way to notate calls, texts, and emails to candidates.

Results

The SmartSearch solution results:

- Generated additional revenue by filling jobs more quickly
- Positioned TalentZök with a greater market share over their competition
- Saved time and money that freed up the TalentZök staff to focus on filling more positions and addressing client requests
- Eliminated the need for continuous administrative follow-ups
- Provided TalentZök with a more streamlined and efficient communications process

Big win:
filling jobs
more quickly
increased
revenue
